Навіщо молитися за померлих?

■ Небіжчик не може виправити жодного свого гріха, не може покаятися. Тому душам померлих часто буває страшно й погано. Але Господь і тут змилосердився і дозволив Церкві (всім нам) молитися за померлих, щоб вони отримали прощення гріхів та упокоїлися, тобто знайшли спокій та радість. Іншого способу отримати полегшення у померлих немає. У храмі Божому за спочилих необхідно поминати на літургії, на панахиду.
