"UKRAINIAN VOICE" IS TURNING 100!"

Dear Friends of Ukrainian Voice Newspaper:

Our century young (1910-2010) newspaper—"UKRAYINSKIY HOLOS-UKRAINIAN VOICE" is turning 100 in March 2010. Wow—what a great historical period in our Ukrainian Canadian history!!!

The beginning of our centennial year is being initiated at the Ukrainian Self-Reliance League of Canada (CYC) Convention in Regina in August 2009 and will continue for the next year. The newspaper has been a faithful chronicler of the events of the USRL over all these decades of its existence. For four decades, UV carried a section for the Ukrainian Women's Association of Canada (prior to the creation of Promin) and also reported on the youth activities of the Canadian Ukrainian Youth Association (CYMK). UV was and is the official voice of CYC over all these great and exciting years.

The Centennial Committee is planning to have the official launch of "UV - 100" in March 2010 in Winnipeg, during the month of the appearance of the first issue in 1910. In addition it is anticipated that there will be 12-15 local events across Canada to celebrate this CENTENNIAL.

With its important contribution to recording the life of the Ukrainian Canadian community and the events of Ukraine, Ukrainian Voice has been a preeminent news voice for the hundreds of thousands of Ukrainians in Canada. Now is the time to guarantee that this voice be heard into the next generation and into the next decades!! UV has created a SPECIAL CENTENNIAL HISTORY FUND and hopes to collect \$100.000 to guarantee its future. WE ASK YOU TO KINDLY DONATE TO THIS FUND AND ASSIST WITH ITS SUCCESS!!

Sincerely yours,

Sonja Bejzyk, Chair of the Board of Trident Press ("Ukrainian Voice")
